

Wetmore Community Cemetery Rights on Interment Record

The owner shown below of the plot(s) indicated do hereby designate the right of interment to the persons shown below in the grave site(s) I have so designated, located in the Wetmore Community Cemetery, 15041 Higgins Rd, San Antonio, TX 78217. No other right of interment may be used or is authorized unless filed with the Secretary of the Wetmore Community Cemetery Incorporated, (WCCI) management of the Wetmore Community Cemetery, by me or my legal representative. ***I understand I must maintain an active membership in this organization to retain my burial rites and furnish and emplace a USA owned/operated authorized permanent marker/monument within one year of burial.***

I understand failure to place a headstone within one year of burial forfeits my family's membership and nullifies all previously purchased open plots purchased under this and all associated purchases by me. As I am fiduciarily responsible, I promise to pay any and all resulting court costs and/or associated legal fees taken against me by WCCI due to my negligence.
